The team asks its host families to provide a separate bedroom for the player(s), furnished in a manner consistent with a college dormitory room (bed, desk, and chair). Players are expected to uphold all house rules, follow team curfew, keep a clean room and perform their own laundry. Meals (breakfast, lunch and dinner) are to be eaten with the host family unless other arrangements for the day have been made between the player and the family. (Please be aware that many players have a large food requirement because of the physical demands of junior hockey).
